iPass User Survey

Harris Education Solutions sent out their annual customer satisfaction survey yesterday. Your feedback is very important to us. The iPass User Survey will only take a few minutes to complete and your input will help us to improve the products and services that we offer.

CRDC Submission Deadline Extended

The CRDC submission timeline has been extended 2 weeks due to the extremely high volume of data submission. LEA's in the East Coast Region have until Monday, May 6 to submit their CRDC data.

The iPass CRDC v2 tool will calculate iPass data and combine it with non-iPass data to create the required LEA and School files to upload to the CRDC submission site. For more information please refer to iPass Help > DOE ID Manager > Help > CRDC v2.

If you missed our CRDC Workshop, contact Laura Patton to find out how you can get a recording of the CRDC Workshop and get personalized coaching.

Query to Find Pre-Requisite Courses

The Support Team has a query in iPass Help that is available for download that will help determine if a student has taken the pre-requisite courses for a course they are requesting.

iPass Help > My Queries > Query Files of Download > Pre-Requisite Courses Query.

When executing the query:

- Course Title = Enter the Course ID of the course the student is requesting
- School Year = School year requested (ie. next school year 2018-2019)
- School Profile Sequence = School Name
- Transcript Course Title = Pre-requisite Course ID numbers (up to 3 courses).

Execute Query: Pre-Requisite Courses	
Course.CourseTitle =	503
SchoolCourse.CalendarYearSeq =	2019-2020 ▾
SchoolCourse.SchoolProfileSeq =	▾
Transcript.CourseTitle =	500
Transcript.CourseTitle =	501
Transcript.CourseTitle =	505

The query report will list the student, the requested course, the completed pre-requisite course(s), and the year the pre-requisite course was taken.
