## Resolved Issues

### Enhancements, Corrections and Minor Enhancements

The following items are included in this release.

Jira #	Description	Ticket #
IP-3982	SIF > SectionInfo Object. Object is no longer sending credit and credit type = " " when new setting for Course Info Override = NO.	
IP-3980	sifstudentsectionmarks.p is now longer sending Earned Credits when the course is not Completed and does not have a Final Grade. This solves the SCS error: SCS9350 - Course Enrollment Status (SCS08) not valid for Course Credit Earned (SCS11).
