# Current Access

# Future Access

# How does SSO help?

- ★ Using SSO District SIS users will be able to login once to their district SIS which will enable them to also have role based access to state and partner applications such as
  - ★ Edwin Analytics
  - ★ Edwin Teaching & Learning - if applicable
  - ★ PBS Learning Media and
  - ★ Other future applications hosted/partnered or offered by the state, without having to log in again or maintain separate logins for each
- ★ Single userID/password, reduced maintenance

# For more information...

- ★ Watch the Edwin website: updates, PD opportunities, webinars, resources: [www.doe.mass.edu/Edwin](http://www.doe.mass.edu/Edwin)
- ★ Questions can be submitted to:

- Q&A

**"Ask Support Questions"**  
**User Group March 11, 2015**

- **Q1 I saw your information in the last "Wednesday Wisdom" on how to "transfer a student to another school within the same district". Does this apply to those districts that have created an "Outplacement School" for their out of district students?**

**(Karen Johnson – Ashland Public Schools)**

**Karen said her question was answered in the 2/25/15 Wednesday's Wisdom**

- **Q2 Could you ask Laura to provide details on how to read the SIF Logs so we can tell if we triggered an event?**

**(Julie Fields – Northbridge Public Schools)**
