APPLICATION ENHANCEMENTS

Enhancements have been made to the iPass Course Recommendation process; the goal of these enhancements is to offer to parents a clean and easy to understand list of what course requests are being assigned to a student. And give staff members the ability to ‘undo’ steps within the course recommendation process.

The following Course Recommendation enhancements have been made to iPass:

- Allow a method for schools to give directions and contact information for making changes to a student’s existing course request.
- Allow Counselors to undo the approval of a recommendation.
- Allow the Recommendation screen to be read-only to parents.
- Allow school to control which school year a parent/student is entering course recommendations for.
- Allow school to control the approval checkboxes on the recommendation screen.
- Allow a teacher to delete a course recommendation.
- Allow students, parents, and counselors to add alternate Recommendation for a main recommendation.
- Allow the Course Request Verification report to be a publishable document.
- Allow school to track which parents have viewed the Course Request Verification report.

Figure A: Add “Elective” field on Course record

The screenshot shows two parts of the application interface. The top part is a header for a course record with the following fields: Course ID: EE6012, Short Name: Music, and Academic Year: 2015-2016. The bottom part is the 'COURSE DETAILS' screen, which contains various configuration options. The 'Available as Elective' checkbox is checked and circled in red. Other visible fields include Course Type (Academic), Major/Minor (Major), Priority (5), Number of Requests (0), Number of Alt Requests (0), Number of Sections (0), Has Meeting Time (Yes), # of Terms (4), Cont? (Yes), GPA Rank (Yes), 0-100 Scale, Print Class List (Yes), Print On Transcript (Yes), From Grade (07), To Grade (08), Failure (Yes), Horizontal Avg (Yes), Vertical Avg (Yes), Vertical Weight (1.00), and Number Of Periods (0).

Figure I: Course Catalog search on the iStudent/iParent portals

The screenshot shows a web browser window with a 'COURSE SEARCH FILTERS' form. The form includes fields for 'Course ID', 'Course Name', 'Grade Level' (set to 11), and 'Department' (set to EL/Elementary). Below the form is an alphabetical index 'A B C D E F G H I J K L M N O P Q R S T U V W X Y Z'. A 'COURSE SEARCH' table is displayed below the form, listing search results.

Course ID	Course Name	Curriculum Level	# of Terms	Department	# of Sections	GL
