## Release Notes

Version 7.020150313

March 13, 2015

*Currently only released to PA clients*

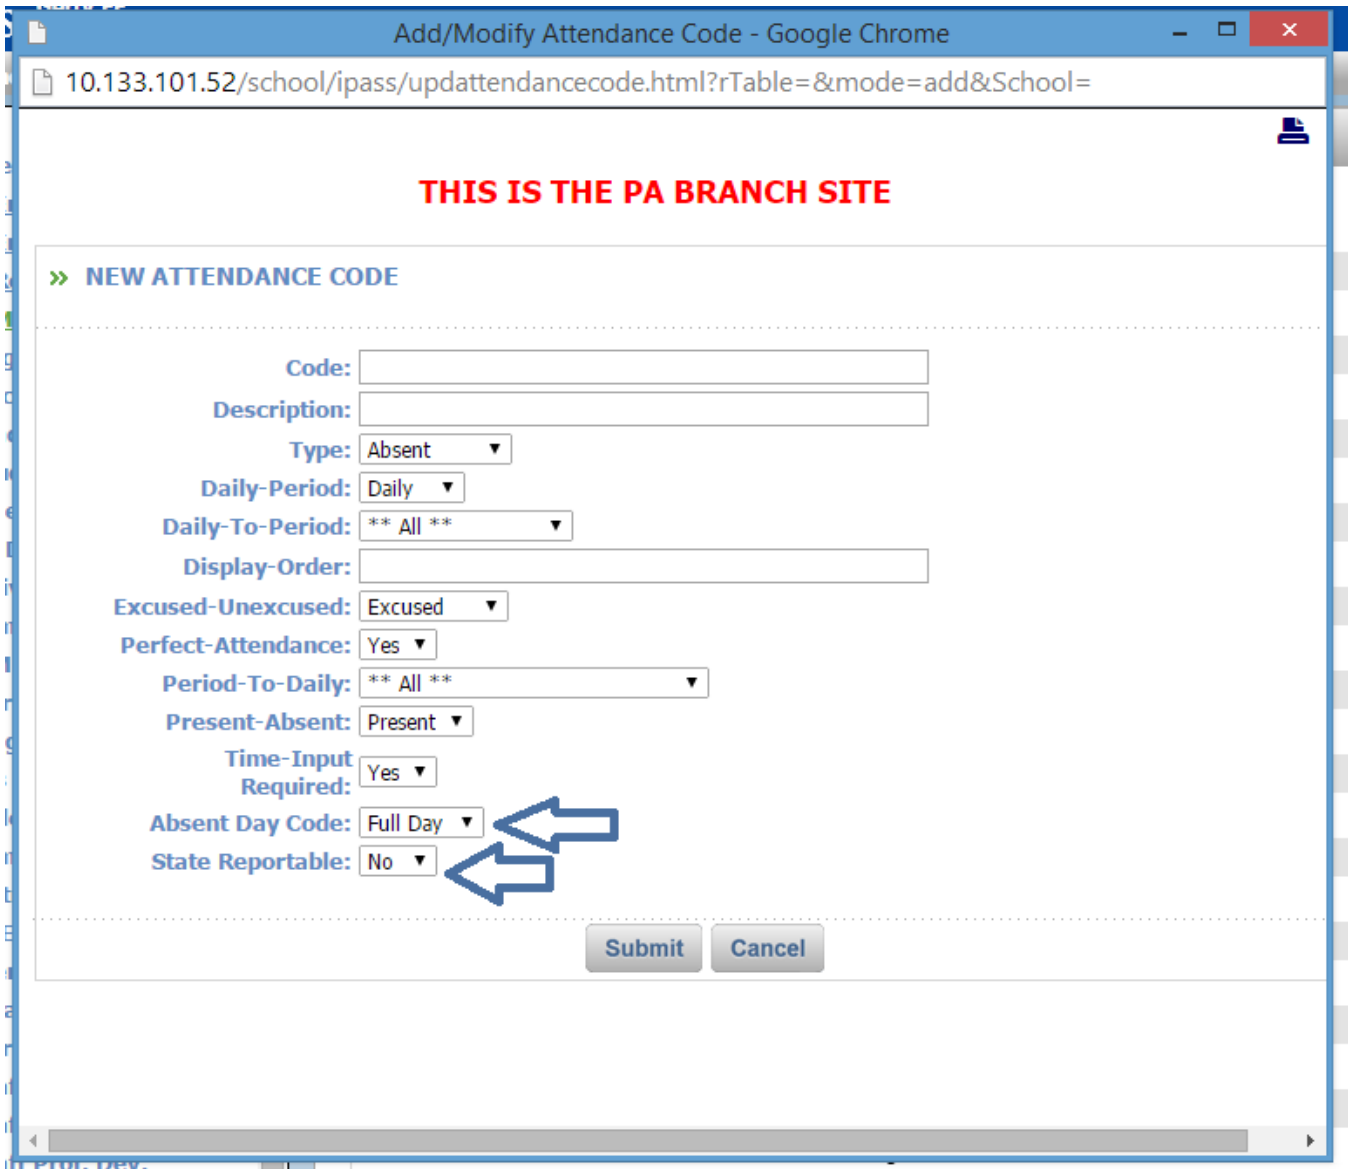

---

## APPLICATION ENHANCEMENTS

1. A new field has been added to the Attendance Code table titled “Absent Day Code”. This field will allow end users to mark an attendance code as:
  - a. Full Day Absent
  - b. Half Day Absent
  - c. N/A tardy
2. A second new field has been added to the Attendance Code table Titled “State Reportable”. This field will allow end users to mark an attendance code as:
  - a. Yes. The attendance code is reportable to the state.
  - b. No. The attendance code should not be reported to the state.

iPass Home Page>Attendance System>Maintenance – Attendance>Attendance Codes> Add or Edit Attendance Codes

3. Within Daily Attendance end users can now mark students as a Full Day absent or Half Day absent.  
Please Note: The "Absent Day Code" field must reflect Full Day or Half Day.
4. Within Daily Attendance end users can now reflect students as tardy while still reflecting the student as present or Half Day absent.

iPass Home page>Attendance System>Enter Daily Attendance.

- To accommodate PIMS Child Accounting reports a new table has been added to Maintenance – Attendance titled "Calendar Type". The following information can be entered in this table:
  - Code > maps to Calendar ID in the PIMS School Calendar Report.
  - Name > maps to Calendar Name in the PIMS School Calendar Report.
  - State Code > maps to the Calendar Program Type in the PIMS School Calendar Report.
  - Rotation Code > maps to the Rotation Pattern Code in the PIMS School Calendar Report

- e. Instructional Mins > If the instructional minutes for this calendar type are different for the school instructional minutes then enter a value in this field. If the instructional minutes are the same as the school instructional minutes (see above) it is not necessary to complete this field.
- f. School Select > allows the end user to select which schools will use the entered calendar type.

iPass Home page>Attendance System>Maintenance – Attendance>Calendar Type
