APPLICATION ENHANCEMENTS

The end of year procedure “Rollover Courses” has been enhanced to copy all elements defined for a course (or for course section).

- Data fields that include multiple values; the procedure will now copy over all values, and not just the first value (example: Competencies).
- The procedure can be run multiple times and will allow the end user to select to replace existing data, or append data.
 - iPass > Administration > End of Year Procedures > Rollover Courses > Override if Exists = Yes, data will be replaced.
 - iPass > Administration > End of Year Procedures > Rollover Courses > Override if Exists = No, current data will not be replaced, but blank/missing data will be added.

iPass > Administration > End of Year Procedures > Rollover Courses

The screenshot displays the iPass software interface. On the left is a navigation tree with 'End of Year Procedures' highlighted. The main content area shows a menu with 'Rollover Courses' selected. Below this is a 'Select School' dropdown set to 'PA Dev Middle & High'. A form titled 'ENTER SELECTION CRITERIA' contains the following fields:

- Source Academic Year: 2014-2015
- Destination Academic Year: 2015-2016
- Roll Schedule: Yes
- Roll MSB Teacher/Room: No
- Override if Exists: No (circled in red)
- To: soconnor@imgsoftware.com
- CC List: (empty)
- Priority: Low

Buttons for 'Submit' are present at the top and bottom of the form.
