Elementary Scheduling Workshop

There's still time to register for the iPass Elementary Scheduling Workshop. Refer to the [Upcoming Events & Workshops](#) section below for more information.

Support Announcements

MA & PA State Reporting

The deadlines for the end-of-year state reports are upon us.

The Support Team is working hard to resolve the remaining SDDR, SCS, EPIMS and PIMS issues that you have reported in your support tickets.

Please keep the tickets updated daily with your latest error count and outstanding issues. Remember not to send identifying student data. We only need the Student ID# or SASID# and the error message that you're receiving.

Don't forget to let us know when you certify.

Recent Patch Releases

Two patch releases have gone out since last week:

7.0.20170719_sync – A patch release went out that included corrections related to Add/Modify Discipline, SIF SSDR, SIF SCS, and EPIMS. Refer to the Release Notes for more information. iPass Help > iPass Patch Release Notes > [Patch Release Notes – 7.0.20170719_sync](#).

7.0.20170724_sync – A patch release went out to recompile iPass sites. Some sites did not fully recompile after the patch release last week, causing webspeed errors on some screens.

Upcoming Events & Workshops

Elementary Scheduling Workshop – August 9

Registration is open! Join Harris School Solutions for an iPass Elementary Scheduling Workshop.

This workshop will be appropriate for the person(s) responsible for creating and maintaining the master schedule and students schedules at the elementary level. The Elementary Scheduling Workshop will cover:
