

Entry Withdrawal Report With SASID Enrollment Reason Query

This query report replicates the Entry/Withdrawal Report (RTF format) with the student's SASID number and allows the report to be run for select entry/withdrawal codes.

Note: When executing this query you need to know the Entry/Withdrawal Codes (ie. R1/01 = Re-Enrolled). You can enter multiple codes separated by commas such as R1/01,R2/01.

Execute Query allows you to enter:

- Start Date and End Date for the query
- School Name
- Entry/Withdrawal Codes (multiple may be entered separated by comma)

The Report includes the following:
