

Patch Release Notes - 7.0.20180622_sync

A patch release (v. 7.0.20180622_sync) went out on June 22, 2018 with the following corrections:

Description

When District Configuration > Schedules to View = All and selected School Year = Future Year (ie. 2018-2019)

- My Courses/Gradebook and Add/Modify Rankbook class roster will now display students accurately
- iTeacher options for Print Course List and Standard Test Entry will allow selection of future year
- Gradebook/Rankbook Progress Reports will display in future year.

When District Configuration > Schedules to View = All, the View Grades screen (brwstugrades.html) will a
