

Will iTeacher allow a teacher to look back at a previous year's grade book or at period attendance that the teacher took? Can I look back at someone's grade book or period attendance for a previous year in iTeacher?Is it possible/advisable to change from daily attendance to period attendance mid year as the official school attendance?

Yes to all. You can look back in the grade book in past years and you can change to period updating daily for attendance midyear.
