UPDATE: CRDC “ Civil Rights Data Collection ” Launch Pushed Out to Early February

The Civil Rights Data Collection (CRDC) Report Portal opening has not been announced yet. You can use the CRDC v2 Introduction guide sent with the January 7th Wednesday’s Wisdom to start setting up the setup screens and getting ready. Look for it in the iPass Help/Wednesday Wisdom Folder & DOE ID Manager folder. Once the portal opening is announced we will schedule our WebEx session to go over the instructions and documentation. Once open you will have a few months to complete and submit the report, but you do not need to wait. You may start filling out the setup screens now.
