## **UPDATE: CRDC “ Civil Rights Data Collection ” Launch Pushed Out to Early February**

The Civil Rights Data Collection (CRDC) Report Portal opening has not been announced yet. You can use the CRDC v2 Introduction guide sent with the January 7<sup>th</sup> Wednesday’s Wisdom to start setting up the setup screens and getting ready. Look for it in the iPass Help/Wednesday Wisdom Folder & DOE ID Manager folder. Once the portal opening is announced we will schedule our WebEx session to go over the instructions and documentation. Once open you will have a few months to complete and submit the report, but you do not need to wait. You may start filling out the setup screens now.
