<u>UPDATE: CRDC â€" Civil Rights Data Collection â€" Launch Pushed Out to Early February</u>

The Civil Rights Data Collection (CRDC) Report Portal opening has not been announced yet. You can use the CRDC v2 Introduction guide sent with the January 7^{th} Wednesdayâ \mathbb{C}^{tm} s Wisdom to start setting up the setup screens and getting ready. Look for it in the iPass Help/Wednesday Wisdom Folder & DOE ID Manager folder. Once the portal opening is announced we will schedule our WebEx session to go over the instructions and documentation. Once open you will have a few months to complete and submit the report, but you do not need to wait. You may start filling out the setup screens now.
